SUMMARY

I'm a Manual/Performance Tester. I have experience in API testing, database testing and usually work with JIRA, Postman and SQL server / PostgreSQL tools. I have experience using the Jenkins tool to build and execute JMeter performance test script and using the Grafana tool to monitor CPU and RAM usage on servers. I think that I have a high sense of responsibility. I have experience in Website, Mobile App, Mobile Device. I have experience Web Console, Finance, Android domain.

TECHNICAL SKILLS

Programming Languages: Javascript, Groovy

Database Management Systems: PostgreSQL, SQL Server, MySQL

PROFESSIONAL EXPERIENCE

Military ***** – Performance Tester

(06/2025–Present)
